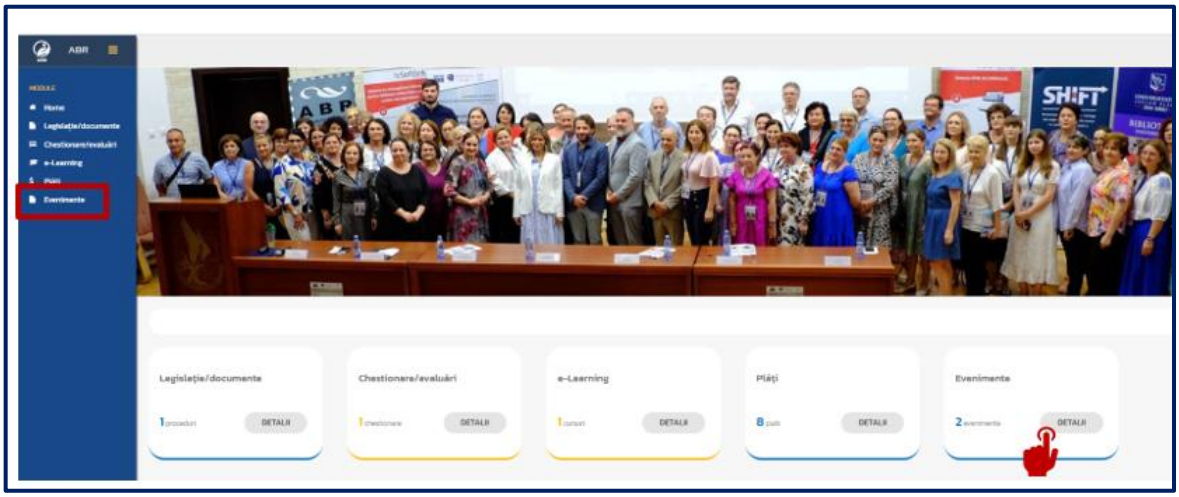
EVENT REGISTRATION

1. To register for events, click the **ABR Platform** button on https://abr-ro.ro/en, then **Sign in**.

2. In the **ABR Platform** box, click the **Enter** button.

3. Click on the **Events /Evenimente** section in the Modules menu or on **Details /Detalii** in the **Events** box.



4. Click on the name of the event you wish to register for.

5. Check that you have selected the desired event, then click the **Register for Event / Înregistrare la eveniment** button.

6. In the **Event Registration** window, click the **Register/Mă înscriu** button.

After your information is verified, you will receive an email confirming your registration for the conference.
